

# This Week @ Your Lewis & Clark Library!

It's March Madness @ Your Lewis & Clark Library...March Library Card Madness that is!

Your Lewis & Clark Library is the oldest library in the State and we pride ourselves on being adaptive to change, but with all the latest technology we embrace, nothing beats a good old fashioned library card.

This month, we're partnering with The Montana Radio Company to hold a Library Card Drive. During the month of March, sign up for a Library Card and you'll receive a free goodie bag of fun prizes and be entered into a drawing for a Family Fun Pack! The Family Fun Pack is designed to be a fun day on the Gulch for the entire family, thanks to our friends at The Painted Pot, ExplorationWorks, The Big Dipper, The Montana Radio Company, and other generous local businesses.

### Mobile APP

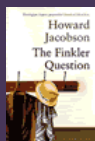

The Lewis & Clark Library is now offering new features through our mobile app to make it even more useful! The first new service is called Booklook, and allows users to scan the barcode of any item to see if the library has it. Now you can place a hold on the book your friend is reading, or see if the library has a copy of a book you are browsing at the bookstore. ! Also, the new mobile app will provide direct access to audiobooks and ebooks the library provides through MyMontanaLibrary2Go. From the main menu of the app, you can view your digital account to renew your items, or download them again. You can also browse, checkout, and download audiobooks and ebooks directly to your mobile device.
