

# LibAnywhere App User Instructions

## SETUP

To download from App Store/Google Play search for “LibAnywhere” and then “Get/Install”. You can also follow the hyperlinks provided at the following webpage.

<https://www.libanywhere.com/>

Once installed, initial opening of the app will guide you through the set up process. You can Browse all libraries (select your country, state, then library of choice) or you can use your GeoLocation to have the app find the library nearest you.

Select Lewis & Clark Library Public Library (or branch if you prefer to default to your own most utilized branch).

The homepage will appear as follows. From here, you can view Hours and Locations which will allow you to see the other branches, you can view upcoming Events, go to My Account or Ask a Librarian.

## MY ACCOUNT

From here, you want to login to your Lewis & Clark Library account. Press My Account. It will prompt you to enter your library card barcode and PIN (this would be the same as you would use for the Library website). The app will save your information unless you log out in the future. Press LOGIN.
